

Cookie Policy

Last updated: 20/09/2022

This Cookie Policy describes the different types of cookies and other technologies that may be used in connection with the website owned or controlled by Exness Global Ltd ("Exness", "we," or "us"). This Cookie Policy also describes how you can manage cookies and other technologies.

We may change this Cookie Policy at any time. Please take a look at the "Last updated" section at the top of this page to see when this Cookie Policy was last revised. Any changes in this Cookie Policy will become effective when we make the revised Cookie Policy available on or through the website.

1. Cookies

Cookies are small pieces of information that are stored on your computer by a website you visit in order to enable you to perform certain functions on the website and regulate its content to your preference. They can store data on pages which you have provided key information for e.g. when you provide a password but only once you are asked and you accept the storage of this information. Cookies may be used on some pages of the site for us to provide website users with a more customized web browsing experience; they are not used to determine the personal identity of anyone merely visiting the site.

2. Cookie types

Performance cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site, and will not be able to monitor its performance.

Strictly necessary cookies

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms.

You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.

Functional cookies

These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies then some or all of these services may not function properly.

Targeting cookies

These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites. They do not store directly personal information, but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

3. Cookies disclosure

Cookie value	Example value	Description	Age
OptanonConsent	isIABGlobal=false&datestamp=Wed+Nov+03+2021+19%3A26%3A38+GMT%2B0800+(Malaysia+Time)&version=6.22.0&hosts=&landingPath=NotLandingPage&groups=C0002%3A1%2CC0001%3A1%2CC0003%3A1&geolocation=%3B&AwaitingReconsent=false	This cookie is set by the cookie compliance solution from OneTrust. It stores information about the categories of cookies the site uses and whether visitors have given or withdrawn consent for the use of each category. This enables site owners to prevent cookies in each category from being set in the users browser, when consent is not given. The cookie has a normal lifespan of one year, so that returning visitors to the site will have their preferences remembered. It contains no information that can identify the site visitor.	365 days

OptanonAlertBoxClosed	2021-11-03T11:26:36.311Z	This cookie is set by websites using certain versions of the cookie law compliance solution from OneTrust. It is set after visitors have seen a cookie information notice and in some cases only when they actively close the notice down. It enables the website not to show the message more than once to a user. The cookie has a one year lifespan and contains no personal information.	365 days
